- Rules:
1. Items for sale must have two separate tags: (1) one with the maker's name, fiber content, cleaning instructions, etc., and (2) a separate tag with the price, inventory number, and seller's initials. The price tag will be removed when the item is sold.
 2. Each item must have its own inventory number and must be listed individually on the inventory sheet.
 3. Please use the inventory sheets provided (pdf or Word file on the Guild's website, mmawg.org). You may print the inventory sheets and fill them out by hand. You can also type into the Word document and then print it. You will need two copies of your inventory sheets—one for the sale team and one for yourself.
 4. Sales commission is 20% for Guild members and 30% for non-Guild members.

Ann McKane is coordinating volunteers. Please sign up with her early so she knows which time slots need more people. (206) 371-5814 mckaneann@gmail.com

We have decided not to print postcards, so email will be vital to advertise the sale. We will have an e-flier prepared by the end of October that you can send to your friends and members of groups you may belong to. We will still advertise on Facebook.
