

For the Love of Fiber

- March 7 through April 24, 2019
- The Mary Atwater Weavers Guild is celebrating fifty years of beauty, talent and crafting excellence.
- This show is a unique chance to show off your talents not only in weaving, but knitting, spinning, lace, and all other fiber arts.

Your art will be on display for six weeks.
Your projects must have been completed within the previous two years.

Submit your work on March 1, 2019 from noon to 6:00 p.m.
An entry fee of \$15 for Guild members, or \$20 for non-Guild members will allow you to enter up to 3 items.

- This exhibit welcomes the crafter—someone who spends hours creating beauty from a simple piece of thread, cloth, or reeds.
- The exhibit is a juried event. This allows you have your art judged by an expert in the field.
- You may list your items for sale, with 30% of the sale price going to the Utah Cultural Center as a commission for hosting the event.
